PROFESSIONAL SUMMARY

I'm a great team player, a result-driven individual, and a diligent remote software junior developer with over a year of experience in web development. Eager to join an amazing team to build innovative and reliable applications that speed up the efficiency and effectiveness of the organization's success. Skilled in HTML, CSS, Javascript, Bootstrap, React, SQL, Ruby, RSpec, and Ruby on Rails. Previous accomplishments include exceeding the company's sales target by over 20% and leading a team of 20 people to increase productivity.
